May Days For Picture Taking.

The month of May is a most appropriate time for having photographs made says a city photographer. People like to have their pictures taken while their hats are new and their dresses are fresh.

Another reason it is such a popular month is because the weather is bright and persons look happier and prettier in the springtime.

The mothers crowd the art gallery with their babies before the summer gets too hot to worry them with the task. By all means the month of May is the best month in which to have a photograph made.

PRETTY ROMANCE.

Love's Young Dream Comes True
For a Webster Girl and a
Former Breckenridge
Boy.

Los Angeles, Cal., April 29.—Yesterday at the little town of Corona, Cal., two young Kentuckians were made man and wife. They are William Thomas, aged seventeen, and Myra Hatfield, aged fourteen. They both claim Kentucky as their native State, having lived for many years with their respective families at the small town of Webster.

For more than a year the boy had kept his secret while an affection which began in a Kentucky schoolhouse grew warmer and stronger day by day, spanning a gulf of 2,000 miles, ignoring the passing months and bravely meeting every obstacle that lay between. When at last the truth was known William's father knew resistance was useless and today there is only rejoicing in Corona's Kentucky colony.

The St. Rose's Church Choir, under the leadership of Father Odendahl, assisted by Fathers Connor and Meyering, rendered a program worthy of the occasion. ANNOUNCEMENT OF SECRET MARRIAGE

Hardinsburg Ky., May 5.—(Special).—Keeping their marriage a secret for a short time in order to surprise their friends, the happy couple were themselves surprised. It came about in this way. The groom had written his wife a letter which she joyously read and carelessly left it where a member of the family a little later picked it up and happened to see the secret. Of course there was an anxious inquiry and an explanation, and then everybody began to learn that Mr. Alvah M. Beauchamp, of Clifton Mills, and Miss Minnie Poole of Garfield, who had been sweethearts for about a year were quietly married at the Fifth Avenue Hotel in Louisville on April 18.

The groom, an excellent young man, is the son of Eugene Beauchamp.

The Bride is the daughter of Mr. and Mrs. Steve Poole, of Garfield, and is one of the best known and successful teachers of the county.

Cupid's pranks will not take away the teacher, for Mrs. Beauchamp will enter school again this fall as has been her custom for several years.
